SUPERINTENDENT'S REPORT

To the School Board and Citizens of Swanzey:

I have the honor to submit my fifth annual report.

TEACHERS: The Swanzey schools opened in September with no replacements in the teaching staff, but since then three resignations have been received. Miss Priscilla Leighton, principal and lower grade teacher at the Wilcox School, resigned at Thanksgiving to accept a position in Leominster, Massachusetts; Miss Patricia Doherty. first and second grade teacher at the Cutler School, resigned to accept a similar position in Whitman, Massachusetts, and finally, Miss Thelma Dickinson, principal and teacher of the seventh and eighth grades at the Cutler School terminated her services as of February 19 in order to enter private employment. All three of these teachers had worked hard and had secured excellent results in their teaching.

The School Board appointed Mrs. Anna Goodale of Swanzey Center to fill the lower grade vacancy in the Wilcox School, and Mrs. Ruth Hartwell of Keene to teach the lower grades in the Cutler School.

Miss Winifred Sargent and Miss Mary Morris were appointed principals of the Wilcox and Cutler Schools, respectively.

INSTRUCTIONAL ACTIVITIES: Special attention is being given this year to Spelling and Arithematic in all the grades, and as a result of standard tests given in the fall, a definite program has been arranged in order to improve the attainments in these fields.

For instructional efficiency, the School Board transferred several pupils from the Westport School to the Cutler School in the fall. This action reduced the number of grades to be taught at the Westport School and enabled Mrs. Freeman to give more time to the various classes.

Because of the overcrowded conditions which existed at the opening of schools in the upper grade room at the Wilcox School, it was found necessary to send some pupils to the Hopkins School at North Swanzey. Arrangements were made with Mr. Smith to transport them in the morning and with Mr. Hale in the afternoon.

WAR TIME SCHOOLS:

SALVAGE: All schools participated in the salvage drive during the fall. A large amount of material was collected and sold.

WAR SAVINGS STAMPS AND BONDS: The purchase of war savings stamps and bonds started last year has continued with enthusiasm through the months of this year with a great deal of success.

RATIONING PROGRAM: All the teachers, many of the high school students, as well as numerous out-of-school volunteers have participated in issuing ration books for sugar, gasoline, fuel oil and kerosene during the past spring and summer and are again to participate in the distribution of War Ration Book No. 2 during the week beginning February 22.

In conclusion, I wish to express my appreciation to the pupils and teachers, to the School Board and the parents and patrons of our schools for their loyalty and cooperation.

Respectfully submitted,

CHARLES W. WALKER,

Superintendent of Schools.

February 19, 1942.
